SAME QUESTION · TWO SYSTEMS

Anyone can build the demo.
This book is about what comes after.

customer › **Can I return opened earbuds?**

THE DEMO

"Yes! Returns are accepted within 10 days."

× wrong: opened in-ear audio is non-returnable
× no source · cost unknown · never tested

THE REAL SYSTEM

"Only if they are faulty. Opened in-ear audio can't be returned otherwise."

√ sources: policy §3, §4 · 1.2 s · ₹1.17
√ golden set 92% · guardrails passed

The difference is engineering. **Ship Real AI** builds it with you, one system and seventeen modules, from the first API call to production.

SRIDHAR MUKKANDI

Applied AI engineer. Builds AI agents and the decision systems behind them, and writes for engineers who want AI they can trust in production.
