

TRY IT

Code you can run. The QR code in the margin opens the chapter's lab in Colab.

SET THE THRESHOLD

A small decision to make yourself, with costs. The answer follows in brackets.

WHERE THIS BREAKS

The honest limits of what the chapter just showed.

KEY IDEA

The one sentence to keep if you forget the rest.

AUTHOR STORY

A place for the author's own experience (marked in this draft).

SYNTHETIC

Every Jev number comes from a mock model, and says so.
